

# mermaid tri and du Capitola General Info

## TRANSITION AREA (Located in the parking lot at the top of Depot Hill)

- *There is no parking in the transition area.* Parking is available in the surrounding (non-permitted) residential area as well as at the Capitola Mall which is ~2 miles away. For additional parking information please see the our online parking map.

- Drop Off Locations: You can be dropped off on Capitola Ave or on the Esplanade. If you've already picked up your race packet the best place to be dropped off is Capitola Ave. If you need to pick up your race packet on the morning of the race you'll want to be dropped off on the Esplanade next to the Expo/Registration.

- If you are driving yourself we recommend you temporarily park along Capitola Ave to the north of the transition area while you set up your equipment. Then park in the surrounding residential area (see online parking map) or drive to the Capitola Mall with your bike and then ride back. Parking on Capitola Ave is limited to 2 hour metered parking and the City of Capitola will issue citations if you are parked with an expired meter.

- The Transition Area will close at 12:00 p.m. after the race. All athletes must pick up their equipment by 12:00 p.m. as we have to open up the parking lot to the public for parking.

## FINISH LINE

- Runners will head down to the sand at Wharf Rd and run along the hard packed sand to the finish chute in front of Esplanade Park
