We will have several shoe donation bins at the packet pickups and at the expo to collect your *gently* used running shoes! Many of the *gently* used running shoes can be worn as walking shoes, making them easily repurposed. Please do not bring shoes with holes, heavy stains or no tread as those can't be repurposed.

BAG DROP - B.Y.O. B. (Bring Your Own Bag)

We will have a bag drop next to the expo check-in where you can drop off a small bag prior to the start. In an effort to be green and reduce the amount of plastic bag waste, we ask that you, B.Y.O.B. - Bring Your Own Bag. We will have ID tags and pens at the booth to write your bib number on your bag. Please do not leave valuables in the bag. Volunteers will be monitoring the bag drop, however we are not responsible for lost or stolen items.

TIMING AND RACE PHOTOS

Your bib number is your timing chip. You must wear your bib number on the front of your body and have it on the outer layer of your clothing. This will help the photographers capture your photo and make sure we get you timed.

Happy Running!!
